

Skylark, I Feel For You

there something inside my heart
and it seems like magic
it changing my life
since you came to me
everything is so right i see
you touch my heart
you gave me love
so real

this time around
i wana let it show (let it show)
there something special
in my heart
you ought to know

i feel for you
i mean i trully love you
in my heart and in my soul
you are my love
you are my all
i feel for you
i mean i always love you
because to me you are a dream
come true

love grows everyday
and its hard to deny it
you inspired me all the way
the joy you bring
make my heart keep on singing
and all i wanna do
is to remain close to you

this time around
i wanna let it show
there something special
in my heart
you ought to know

i feel for you
i mean i trully love you
in my heart and in my soul
you are my love
you are my all
i feel for you
i mean i always love you
because to me you are a dream
come true

you are my angel in disguise
you are the reason i survive
with you each moment is worthwhile
you make me smile
and if without you surely
i cry
