

Skylark, Little Girl (2003 Version)

In the end of the day, in the end of the light, sometimes it's hard to hold the fight, you've lost your lo
Snow slows down, is falling on your head, beasts and freaks upon your bed, you've lost your soul,
Questions come, questions go, answers hidden in the mystery world, hard to find you don't know w
No more time, no more alibis, just your heart don't want to die, but you have lost your mind you don't

So easy, so easy, believe it, but nothing you've done for you, maybe nothing I've done for you.

In the end of the day, in the end of the light, a dream go away, escapes tonight, you've lost your lov
Reality is different from the images in which you believed, you've lost your world you don't who you
Grains of sand, where (there) was love, lost in the air, the wind blows, nightmares come, you don't

Not easy, not easy, throw it away. But nothing you've done for you...nothing done for you.

I guess this chance is the last to take. No fears no doubts you must start the game. You must belie
