

# Skywind, Deep Blu

Say Something  
I'd Say Something  
I'd Be Nothing More  
Than What You Need  
I'm In Too Deep

Say Something  
I Taste Salty  
I'd Be Nothing More  
Than What You Need  
I'm In Too Deep

Here's Something For The Visions In Your Mind  
Fear Nothing But The Water In Your Life  
Scrape Lovin' From The Ocean Floor  
Don't You Crawl On Me I'm No Shore

Say Something  
I Taste Salty  
I'd Be Nothing More  
You're Losing Me I'm In Too Deep

Here's Something For The Visions In Your Mind  
Fear Nothing But The Water In Your Life  
Scrape Lovin' From The Ocean Floor  
Don't You Crawl On Me I'm No Shore

I'm No Shore  
Fake That What You've Given  
I'm No Shore  
Take Back What You Give Me

All The Pieces, They're Lined Up  
Trust Like A Tragedy  
Watchin' Me  
Where'd They Come From  
All The Figures Over Me  
Lost In Their Fantasy  
Hating Me  
Where'd You Come From
