

Skywind, Summertime

Someone Told Me
There's Hope Out There
I Couldn't See It Through The Clouds
Someone Told Me
To Stand My Ground
But My Body Wants To Run Away

Please Don't Tell Me
I'm Uncontrolled
Please Don't Tell Me
That It's Time To Go
It's Time To Go

When You're All I've Got Don't Drift Away

It's Raining On Summertime

Someone Told Me
I Would Disagree
That The World Could Be Whole

So I Tell You
And These Feelings Fold
When You're All I've Got
It's All I've Got
Don't Drift Away

It's Raining On Summertime
Your Son Is Gone
