

# Slade, Good Time Gals

I wanted to be a sailor  
I wanted to be a star  
I wanted to show the colder broads how hot cookin they are

I wanted to suck your candy, I wanted to smell your barn  
I wanted to turn your headlights on, how hot cookin they are

So give me good time gals to love the rest of my life - wooo  
So give me good time gals to love the rest of my life - hey  
So give me good time gals to love the rest of my life - woh ho

I wanted to give you diamonds - I wanted to wear your clothes  
I wanted to touch your dream machine, in there anything goes!  
I wanted to be a singer, I wanted to be a star

I wanted to show myself to them, how hot cookin they are  
So give me good time gals to love the rest of my life - yeah hay  
So give me good time gals to love the rest of my life - wo ho ho  
So give me good time gals to love the rest of my life -  
gimme the love for once in my life

I wanted to be a sailor

I wanted to be a star

I wanted to find your dream machine- how hot cookin they are

So give me good time gals to love the rest of my life - give it me

So give me good time gals to love the rest of my life - that's what I want
