

Slade, It's Alright By Me

<!Three way lanes and aeroplanes, lonely hotel rooms
Burger stands, new wave bands, forty radio tunes
Three chord bash, make it flash, who says it's gonna die?
Drivin' sounds and boogie clowns - all the reasons why

Well it's alright by me - it's all right by me
What has got to be, will be, yeah, it's all right by me

Poker games and baggage lanes -always there to lose
Dirty shirts, bits of skirt, a constant smell of booze

Well it's alright by me - it's all right by me
What has got to be, will be, yeah yeah yeah, it's all right by me

Well it's ok, it's alright, it's alright, it's alright
What has got to be has got to be - it's alright by me yeah yeah yeah

I never did get into crooners - Serenading Moon in Juners
Only hell for leather looners - everyday.....

Poker games and baggage lanes -always there to lose
Dirty shirts, bits of skirt, a constant smell of booze

Well it's alright by me - it's all right by me
What has got to be, will be, yeah yeah yeah, it's all right by me
Well it's alright by me - it's all right by me
What has got to be, will be, yeah yeah yeah, it's all right by me

It's all right by me
It's all right by me
