

# Slade, Leave Them Girls Alone

Woah woah-wow woah  
Woah woah-wow woah

Oh I don't think you're the kind of girl who likes living in a crazy world  
You need loving any time you can - Hey I'm talking about the kind of man

If Daddy comes home at midnight  
You'll cue Daddy's song  
Well the girls are alright  
Staying out all night  
Leave them girls alone

Woah woah-wow woah  
Woah woah-wow woah

I know that you ain't satisfied, I fooled around  
Give me everything I won't let you down  
I don't care if you're big or small  
Give me dynamite, I want it all

If Daddy comes home at midnight  
You'll cue Daddy's song  
Well the girls are alright  
Staying out all night  
Leave them girls alone

Woah woah-wow woah  
Woah woah-wow woah

On the town and all dressed up to kill  
Don't do anything against your will  
Overloaded and still want more  
Much more than I've ever felt before

If Daddy comes home at midnight  
You'll cue Daddy's song  
Well the girls are alright  
Staying out all night  
Leave them girls alone

Woah woah-wow woah  
Leaving all the girls alone  
Woah woah-wow woah  
Love and leave em alone  
Woah woah-wow woah  
Woah woah-wow woah  
Woah woah-wow woah  
Leave and love em alone  
Woah woah-wow woah
