

Slade, Radio Wall Of Sound

This is rockin' radio the wall of sound
The music that rocks
The music that shocks
That music that comes to you from everywhere
As this is the music of the land
I love that music
I love that sound
I love that record
I love that noise
Stayed tuned to radio WOF
The wall of sound

I'm in trouble I'm in need
I don't know why you can't sleep
I feel something in my brain
It's this sound keepin' me sane

I love that music
I love that sound
I love this new channel that fun
I love that record
I love that noise
This frequencies my favorite toy

Radio wall of sound
Comin' up from my tower
Radio wall of sound
24 hours of power

My head is spinnin' around
If in stereo sound
Tell me just who I am
Who's that?
Telegram Sam.
I love that record
I love that noise
Now my girl rocks with the boys
I love that music
I love that sound
So just play the radio loud

Radio wall of sound
Comin' up from my tower
Radio wall of sound
Double you all less power
Radio wall of sound
Comin' up from my tower
Radio wall of sound
24 hours of power

This is rockin' radio the wall of sound
The music that rocks
The music that shocks
That music that comes to you from everywhere
As this is the music of the land
I love that record
I love that noise
I love it, I love it, I love it
This is the big one
This is the wall of sound

I love that music
I love that sound
You're lessening to radio loud

Walled the wall of sound the music comes to
You from all around your head. Look out!
I love that record
I love that noise
You think the music here it not
It's inside your head you've
Walled the wall of sound

Radio wall of sound
Comin' up from my tower
Radio wall of sound
24 hours of power
Radio wall of sound
Comin' up from my tower
Radio wall of sound
Double you all less power
Radio wall of sound
Stay tuned to this frequency
