

# Slade, Razzle Dazzle Man

Wanna be a big operator do ya dig  
You play hard to get and make me laugh yeh  
Wanna face the rat race - Wanna find myself a place  
A womaniser on my epitaph  
I'm your man - I'm your Razzle Dazzle Man  
I'm your man - I'm your Razzle Dazzle Man

Oh but I know for sure, you'll keep coming back for more  
Take me I'm yours  
Yeh I'm your man - I'm your man - I'm your man - I'm your man

Wanna be a smooth operator in a groove - Oh I'm a man of means Wanna be  
like a sheik A harem makes you weak  
Break right into my dreams

I'm your man I'm your Razzle Dazzle Man  
I'm your man I'm your Razzle Dazzle Man

Oh but I know for sure - You'll keep coming back for more  
Take me I'm yours  
Yeh I'm your man - I'm your man - I'm your man - I'm your man

Baby baby you're looking so good  
I ain't seen ya since I don't know when  
Baby baby baby Baby baby Baby baby  
Where do we go from here  
You wanted a car You wanted a ring  
You wanted to take all my money You wanted everything  
And I couldn't give you everything

It's good to see you don't you know  
It's bin a long time don't you know  
It's good to see you don't you know  
It's bin a long time don't you know  
It's good to see you don't you know  
It's bin a long time don't you know  
It's good to see you don't you know  
It's bin a long time don't you know  
You're never gonna change  
You're never gonna act your age
