

Slade, Walking On Water, Running On Alcohol

Well, I been walking on water (I walk the water)
I been walking on water (I feel the beat)
I been running on alcohol (Oh now I'm rolling on home)
Now I'm running on home again
Yeah, I'm running on home again.
Rolling rolling along.

I don't ever wanna go without it, you're bringing me to life,
Gonna show you the funny side today, Hey hey hey hey.
You give me something, there's no doubt about,
to get me thru the night
Keep on laughing when you see me walk this way.
Hey hey hey hey.

Is it time to go and face the music? I wanna stay in bed.
Pardon me if I feel a little slow, Oh oh oh oh
Too much of everything the night before - I'm easily led.
Are my feet on the floor, well I don't know, Oh oh oh oh

Well, I been walking on water (I walk the water)
I been walking on water (I feel the beat)
I been running on alcohol (Oh now I'm rolling on home)
Now I need a hair of the dog
Now, I'm rolling on home again.
Yeah, I'm rolling on home again.
Rolling rolling along.
