

Slade, When Fantasy Calls

Juicy fruit - Cock-a hoot - You're comin' on strong -
You're comin' on strong
Not so fast - Make it last - The feeling takes time -
It's yours and it's mine

Oh when fantasy calls it takes all the balls you possess
Oh them houses of pleasure - where can I find this address

What's in store? Thrills galore - You're turning me on -
You're turning me on
Slip and slide - Open wide - The feelings so good,
just like it should

Oh when fantasy calls, it takes all the balls you possess
And them houses of pleasure -
Where can I find this address ?
Oh when fantasy calls, it takes all the balls you possess
And them houses of pleasure - Where can I find this address ?
