

# Slant 6, Double Edged Knife

Is this the last good bye?  
Do you know the reason why?  
I really don't need the Double Edged Knife  
A deja-vu for the rest of my life

I think about it all the time  
You can't see through my mind  
Come on(?) it's not a joke  
The laugh of mine (?) when I started to joke

Im so sorry, but I haven't got the time  
I don't wanna do it again  
No not again no not again no not again
