Slapshot, Might Makes Right

You can take your ideas and throw them out the door 'Cause we don't give a shit, who they're fuckin for We like our ideas and we put them in your head And if you don't like it, you're gonna wind up dead

It's me, let's be That's right, let's fight Might makes right Might makes right

It's me, let's be That's right, let's fight Might makes right Might makes right
