

# Slash, You're A Lie

You are the voice of reason  
That I can't escape  
Cut me down a thousand times a day  
I don't need you anymore  
I don't need you anymore

I trusted you  
When there was no one else  
All you did was make me doubt myself  
Don't believe you anymore  
Don't believe you anymore

You blood me out, you torn me down  
Your time is gone, you can go!

Cause you're a lie  
Lie, lie all my faith has been wasted, wasted  
Cause you're a lie  
Lie, I don't need you this time anymore.

I'm fragile, but I'm not a fool  
I won't hear another word from you.  
You won't hurt me anymore  
You won't hurt me anymore.

Your hands are here to tear me down  
I've trusted so long, but I'm not.

Cause you're a lie  
Lie, all my faith has been wasted, wasted  
Cause you're a lie  
Lie, I won't sit down and take this anymore.

You can say anything that you wanna say  
But my attention is long gone and turn away  
You're such a lie  
We are already enemies  
Everything you are I will deny.

Cause you're a lie  
Lie, I'll just come out and say it, say it  
Cause you're a lie  
Lie, all my faith was wasted, wasted  
Cause you're a lie  
I don't need you to save me anymore.  
I don't need you to save me anymore.  
I don't need you to save me anymore.
