

# Slaughter, Do Ya Know

Ya never say  
What's on your mind  
Just tell me honey  
Lay it out on the line  
Anytime night or day  
Just call me up  
And I'll be on my way  
The clock strikes midnight  
I don't know where you are  
The clock strikes, it's alright  
Just tell me honey  
Don't push me too far  
Desperately I gotta know  
If you want me  
Just let me know  
Desperately give me an answer  
Can't ya see  
I'm here for you  
Oh please don't run away  
Don't run away  
Ya know it's things like this  
I've been misunderstood, oh  
And by the strange looks, babe  
Ya don't believe in me like you should
