Slaughter, Real Love

I lie awake in the morning light No one to hold Another sleepless night 'Cause it's over now that you've left me Oh so lonely Oh, I hear it calling Oh, I hear it calling Real love won't somebody show me Real love isn't anyone true anymore Real love won't somebody show me Real love where are you All through my lifeI've been feelin' down Searchin' to find I'm lost and not found There's gotta be someone Someone who understands me Oh, I hear it calling Oh, I hear it calling Real love won't somebody show me Real love isn't anyone true anymore Real love won't somebody show me Real love where are you Oh, I hear it calling Oh, can't you hear it calling Real love won't somebody show me Real love isn't anyone true anymore Real love won't somebody show me Real love where are you
