

# Slayer, Criminally Insane (Remix)

Quarters for the criminally insane  
The sentence read for life I must remain  
The path I chose has led me to my grave  
To try again I'd have no other way

Quarters for the criminally insane  
Escape for me has fast become a game  
Soon to be, I'll leave without a trace  
Endangered species end the human race

Branded in pain  
Marked criminally insane  
Locked away and kept restrained  
Disapprobation, but what have I done  
I have yet only just begun  
To take your fuckin' lives!

Night will come and I will follow  
For my victims, no tomorrow  
Make it fast, your time of sorrow  
On his trail, I'll make you follow
