

Slayer, Disintegration Free Money

Disintegration you bastard

I've done overdose it doesn't mean shit

One time what about you it doesn't bother me a bit

My body is a weapon and my mind is decay

And all you stupid assholes are here to see me die

Disintegration [6x]

I don't need you now so why don't you go away

Your day will come real soon and your mind will be

And everyone will fuck you, you're such a fucking whore

And when I see you standing there

I just don't want no more

Disintegration [6x]

Free Money

I don't want your problem

Sopping all the time

I can't even go

When I don't even have the time

I want everything and every thing wants me

I want everything and every thing comes out of me

I want free money [4x]

Life is slavery working 9 to 5

Waste your time working

You might as well die

I want everything and every thing wants me

I want everything and every thing comes out of me

Life is slavery working 9 to 5

Waste your time working

You might as well die
