

# Slayer, Necrophobic

(Lyrics & Music - Hanneman & King)

Strangulation, mutilation, cancer of the brain  
Limb dissection, amputation, from a mind deranged

Asphyxiation, suffocation, gasping for air  
Explain to me the feeling after sitting in the chair?

Ripping apart  
Severing flesh  
Gouging eyes  
Tearing limb from limb

Experimentation, slow infection, internal decay  
Execution, need transfusion, body rots away

Sliced incision, zero vision, loss of vital signs  
Skin contortion, bone erosion, your life becomes your fine

Ripping apart  
Severing flesh  
Gouging eyes  
Tearing limb from limb

[Lead: Hanneman, King]

Strangulation, mutilation, cancer of the brain  
Limb dissection, amputation, from a mind deranged

Asphyxiation, suffocation, gasping for air  
Explain to me the feeling after sitting in the chair

Sliced incision, zero vision, loss of vital signs  
Skin contortion, bone erosion, your life becomes your fine

Necrophobic can't control the paranoia  
Scared to die
