

Slayer, Seasons In The Abyss

(Hanneman/Araya)

Razors edge
Outlines the dead
Incisions in my head
Anticipation the stimulation
To kill the exhilaration

[Chorus:]
Close your eyes
Look deep in your soul
Step outside yourself
And let your mind go
Frozen eyes stare deep in your mind as you die

[Chorus 2:]
Close your eyes
And forget your name
Step outside yourself
And let your thoughts drain
As you go insane... go insane

Innate seed
To watch you bleed
A demanding physical need
Desecrated eviscerated
Times prostrated
Inert flesh
A bloody tomb
A decorated splatter brightens the room
An execution a sadist ritual
Mad intervals of mind residuals

[Chorus]

[Chorus 2]

Inert flesh
A bloody tomb
A decorated splatter brightens the room
An execution a sadist ritual
Mad intervals of mind residuals
