Slayer, Show No Mercy

(Lyrics - King; Music - King)

Through the night we rise in pairs Lords at night we ride From the depths of Hell's domain Reborn to reign this night Roam throughout the endless wars Hold high his name we must Warriors from the gates of Hell In Lord Satan we trust

[Chorus:] Stalking the night can't you feel I'm near Watching each step that you take I take lives and show all no mercy this night Attack those not knowing my force ("...their fate") [1:st & 3:rd time]

Brothers of the Prince of Night By bargains we have made Allies with the darkened souls Our legions we must save Fight for our eternal quest God can't save you in time Evil stalks the night with us Your soul it shall be mine

[Chorus]

I am the menace in your eyes The one you can't escape Your life falls in my grasp Your know your end is near You pray your God will help His strength no match for mine Your last hope slips away Thy soul begins to bleed I tear your flesh to shreds Burn holes throughout your mind Your eyes now filled with blood A victim of my force In endless agony You realize your defeat Recite my Master's chants Your soul now his to keep
