

# Slayer, Treshold

I don't want to see, I don't want to hear  
I don't want to feel anything Can't you understand  
Everything I do doesn't stem from you  
It doesn't have a fucking thing to do with you  
I just want to die Throw it all away  
Never have to feel again the way you make me  
Lose my fuckin' mind all the fuckin' time  
Can't control the violence that's spewing from me  
Take It  
I can't control the rage that flows from me  
I can't shut it down it overwhelms me  
I can't stop the rage that flows from me  
Can't Stop The  
Violence I love it  
No one's immune to hate that flows from it  
Infectious I feed on it  
Every fucking endless day  
You're either on my side or else You're In my way  
No one stands a chance when I'm lashing out  
Random hate there is no other way  
It's my discipline it's my way of life  
Never wanted bliss never wanted you  
Never needed anyone I've polluted  
Everything you feel everything you are  
Everything you'll ever be you repulse me  
It's always about you always come at me  
With shit I can't identify you know it makes me  
Lose my fuckin' mind all the fuckin' time  
Can't control the violence that's spewing from me  
Take It  
Can't stop the  
Violence I love it  
No one's immune to hate that flows from it  
Infectious I feed on it  
Every fucking endless day  
You're either on my side or else you're in my way  
No one stands a chance when I'm lashing out  
Random hate there is no other way  
It's my discipline it's my way of life
