

# Sleater-Kinney, A Real Man

Don't you wanna feel it inside?  
They say that it feels so nice  
All girls should have a real man  
Should I buy it? I don't wanna

I don't wanna join your club  
I don't want your kind of love  
I don't wanna join your club  
I don't want your kind of love

If you had it in your thighs  
You'll see that it feels so nice  
You wait, you'll cum everytime  
I'm not that dumb, I don't wanna

I don't wanna join your club  
I don't want your kind of love  
I don't wanna join your club  
I don't want your kind of love

Don't you wanna feel it inside?  
They say that it feels so nice  
All girls should have a real man  
Should I buy it? I don't wanna
