Don't you wanna feel it inside? They say that it feels so nice All girls should have a real man Should I buy it? I don't wanna

I don't wanna join your club I don't want your kind of love I don't wanna join your club I don't want your kind of love

If you had it in your thighs You'll see that it feels so nice You wait, you'll cum everytime I'm not that dumb, I don't wanna

I don't wanna join your club I don't want your kind of love I don't wanna join your club I don't want your kind of love

Don't you wanna feel it inside? They say that it feels so nice All girls should have a real man Should I buy it? I don't wanna
