

Sleater Kinney, Slow Song

Heard what you said
I heard what you said
On that day
It wasn't so nice
It wasn't so nice
As I thought it would be

Don't you know that I would go
If I had a way
Running for my life
I'm running from the ? ? ? ?
? ? ? ? ? ? ? ? ?

'cause it doesn't work that way
It didn't work today

Feeling so down
I'm feeling so down

That I could go
Run into a tree
Or run into the street
Then I would know

Don't you know
Of some ? ? ? ?
On that day
Running for my life
I'm running from the ? ? ?
? ? ? ? ? ? ?

'cause it doesn't work that way
It didn't work today
