

# Sleeper, Stop Your Crying

this man lives in the ocean  
he puts his favourite clothes on  
and drifts away day after day  
and you can't hear me call

this man needs a direction  
you want my blind affection  
and i'm not sorry that i came  
i stayed too long that's all

and you're a bad habit  
glad of it  
i'm not so sure i can help you  
sad for it  
thanks for it  
i'm not so sure i can make you

stop your crying it's not helping  
stop your crying it's no help  
did you still think that my love  
could make you special

pulled me in on a high tide  
how well you hid your flipside  
it won't do to comfort you  
each time you cough or call  
you think i wanted to use you  
complex issues just confuse you  
you don't care you're unaware  
how far these things can fall
