

Sleeper, Superclean

clean clean superclean
god knows that's all
you'll be without me
but i'd do anything to have you
yes i'd give anything to have you
clean clean superclean
how come there's
never a mess around you
no spare anywhere
how orderly you are
to talk to
but i'd do anything to have you
and i'll do anything to
make you feel good
clean clean superclean
god knows a jagged edge
would suit you
friends friends
who needs friends
sometimes they're better

off without you
but i'd give anything to have you
and i'd do anything for you
I will make you brave
I won't make you
shave your head
I will make you good
I won't make you change
your hair style
I will make you glad
I will make you mean
something fall asleep on me
and I will make you better
fall asleep on me
i'll put you back together
fall asleep on me
or pull yourself together
clean clean superclean
god knows that's all you
are without me
