

Sleeping With Sirens, Fire

Yeah...

Yeah...

You made up your mind
Right before the sound can move
Softly from your lips
You leave behind
A choice which once before you thought you could not resist

You give what you have when you
Decide that you
Keep burning like fire,
It's burning you down

Sometimes they say this should feel something like fire
'Til it burns you and you can't,
No, you can't remain the same
Stay the same, stay the same, stay the same
I can't change

You're losing your light,
Everything that was yours just does not exist
So don't even try to say
Sorry for the things in life that you might have missed

You give what you have when you
Decide that you
Keep burning like fire,
It's burning you down

Sometimes they say this should feel something like fire
'Til it burns you and you can't,
No, you can't remain the same
Stay the same,
Although you know
They say this should feel something like fire,
No, I can't change

Do what you wanna do
Keep building it higher,
Keep burning it down
You lose who you are when you
Keep burning like fire
Like it's all around

What do you have to prove
I'll die for you
Keep burning like fire
It's burning you down

Sometimes they say this should feel something like fire
'Til it burns you and you can't,
No, you can't remain the same
Stay the same,
Although you know
They say this should feel something like fire

'Til it burns you and you can't
No, you can't remain the same
Stay the same
Stay the same
Stay the same
