

Slightly Stoopid, Leaving On A Jet Plane

All my bags are packed, I'm ready to go,
I'm standing here outside the door
I hate to wake you up to say goodbye.
But the dawn is breakin', it's early morn',
The Taxi's waitin', he's blown his horn.
Already I'm so lonesome I could die.
There's so many times I've let you down,
So many times I've fooled around,
I tell you now they don't mean a thing.
Ev'ry song I sing I sing for you.
Ev'ry girl me lay I lay for you
When I come back I'll bring your wedding ring.
So kiss me and smile for me,
Tell me that you'll wait for me,
Hold me like you never let me go.
'Cause I'm leaving on a jet plane,
Don't know when I'll be back again.
Oh babe, I hate to go.
