

Slightly Stoopid, Nothing Over Me

you got
nothing over me
you can't
tell me what to do
you say
you're sick and tired of me
i say
i'm sick and tired of you
you aint got nothing over me
you got
nothing over me
you can't
tell me what to do
you say
you're sick and tired of me
i say
i'm sick and tired of you
you aint got nothing over me
you got
nothing over me
you can't
tell me what to do
you say
you're sick and tired of me
i say
i'm sick and tired of you
you aint got nothing over me
