

# Slightly Stoopid, Opportunities

opportunities  
you're knockin' at my door  
grab my pants off the floor  
grab my shoes grab my hat  
i think i'm getting fat  
wasted youth wasted lies  
we'll see but help me find by  
my opportunities  
the one \_\_\_\_\_ for opportunity  
opportunity  
i come in the door  
working times really slow  
making \$4.25  
this job really blows

---

i think i'm getting high  
but out of my opportunity  
slow down for opportunity  
come on people say  
oh oh oh oh  
oh oh oh oh oh oh  
yeah yeah yeah yeah yeah  
yeah yeah yeah yeah yeah  
yeah yeah yeah yeah yeah yeah  
opportunity  
comin' in again we say opportunity  
comin' in again we say opportunity  
comin' in again we say opportunity
