

# Slightly Stoopid, Stop

stop!

go!

hey man i say it almost every single day

i wanna break a beer bottle over someone else's head

feelin' to hit you wont you calmly step out side

don;t you care about me don't you care about you

stop!

pick it up!

hey man i say it almost every single day

i wanna break a beer bottle over someone else's head

feelin' to hit you wont you calmly step out side

don't you care about me don't you care about you

stop!
