We ballin ova here but we don't pass the rock  
We pass the rock that keep you high as astronauts  
I'ma roll a set of 4's, if they glass or not  
For cats that plot? I keep a cock, blasted glock  
That'll put ya ass in shock, here my phone drop  
I got tha, key to the city, the South on lock  
They know, Ima spit a hit, when they cut the Mic on  
And make niggaz chunk bones like, its a fight song  
I'm so magnificent, when it comes to this  
But you don't wanna box you betta get ya gun fa this  
And you don't wanna get, run up in ya lungs fa this  
So you bitch ass niggaz betta run from this (Killa!)

(Slim Thug)
