Everything you niggaz done, I done done it twice

(Chorus)

(Verse - Slim Thug)

I had to get rich, or either sit bitch
Fuck rolling shotgun I had to get my own shit!
And they respect me now, I'm Tha Boss of the town
Slim Thug getting love when he floss around
And I can be found on the same block
That got one of my brothers locked and the other one shot
But I ain't pushing no rocks or running from cops
I'm just chilling wit my niggaz posted up on a drop
Naw! Ain't shit changed, just switched games
My bank account ain't the same, but I'm still the same
Everything you niggaz done, I done done it twice
Me and my Hoggz nothing nice, this is my life!

(Chorus - to fade)
