Slipknot, Disasterpiece (Live)

This song is gonna kick your fucking ass, London! This song is called Disasterpiece, here we go!

I can't hear you London, make some noise!

(Screams)

I wanna slit your throat and fuck the wound
I wanna press my face in and feel the swoon
I wanna dig inside, find a little bit of me
Cause the line gets crossed when you don't come clean

My wormwood meets your pesticide You'll never get out, cause you were never alive I am infinite, I am the infant finite Come a little closer and I'll show you why

(NO ONE IS - SAFE)

Noises, noises, people make noises People make noises when they're sick Nothing to do except hold on to NOTHING

(NO ONE IS - SAFE)

Noises, noises, people make noises People make noises when they're sick Nothing to do except hold on to NOTHING

How does it feel to be locked inside another dream That never had a chance of being realized? What the fuck are you looking at? I'll tell you what you're looking at Everyone you ever fucking laughed at

Look in my eyes for the answers - typical I can feel it underneath like a miracle Everybody in the world needs more than Lies and consequences to power them Once again, it's me and no one else I can't remember if there was a someone else It's not mine, it's not fair, it's outta my hands And it's shaking - you'll never take me

(NO ONE IS - SAFE)

Noises, noises, people make noises People make noises when they're sick Nothing to do except hold on to NOTHING

(NO ONE IS - SAFE)

Noises, noises, people make noises People make noises when they're sick Nothing to do except hold on to NOTHING

NOTHING! Nothing

Come on!

(HATE) Hate ain't enough to describe me (SCREAM) Somewhere between screaming and crying I'm not supposed to be here I'm not supposed to be

(WHY) When do I get to know why? (BITTER) Bitter as the stink of when I try I'm not supposed to be here I'm not supposed to be Pull your hands away
I'm gone - goodbye - it's so depressing
Withering away
Take a look - inside - my soul is missing
All I have is dead, so I'll take you with me
Feel like I'm erased - so kill me just in case
Feel like I'm erased - so kill me just in case
So kill me, oh dear God!

(COVET) Everything around me's mine (STY) Can't see through the sties in my eyes I'm not supposed to be here I'm not supposed to be

(DOWN) Scratching and clawing all the way (STAY) You won't let me fucking stay I'm not supposed to be here I'm not supposed to be

(LIVE) Is there another way to live? (DIE) Cause it's the only way to die I'm not supposed to be here I'm not supposed to be Come on!

Now!

I'm not supposed to be here I'm not supposed to be I'm not supposed to be here I'm not supposed to be

Thank you very much London.
