## Slipknot, Everything Ends

You are wrong, fucked, and overrated I think I'm gonna be sick and it's your fault

This is the end of EVERYTHING

You are the end of EVERYTHING

I haven't slept since I woke up

And found my whole life was a lie, motherfucker

This is the end of EVERYTHING

You are the end of EVERYTHING

Shallow skin, I can paint with pain

I mark the trails on my arms with your disdain

Everyday it's the same - I LOVE, YOU HATE

But I guess I don't care any more...

Fix my problems with the blade

While my eyes turn from blue to gray

God, the worst thing happened to me today

But I guess I don't care anymore...

You are wrong, fucked, and overrated

I think I'm gonna be sick and it's your fault

This is the end of EVERYTHING

You are the end of EVERYTHING

I haven't slept since I woke up

And found my whole life was a lie, motherfucker

This is the end of EVERYTHING

You are the end of EVERYTHING

My flaws are the only thing left that's pure

Can't really live, can't really endure

Everything I see reminds me of her

God I wish I didn't care anymore

The more I touch, the less I feel

I'm lying to myself that it's not real

Why is everybody making such a big fucking deal?

I'm never gonna care anymore

You are wrong, fucked, and overrated

I think I'm gonna be sick and it's your fault

This is the end of EVERYTHING

You are the end of EVERYTHING

I haven't slept since I woke up

And found my whole life was a lie, motherfucker

This is the end of EVERYTHING

You are the end of EVERYTHING

You are wrong, fucked, and overrated

I think I'm gonna be sick and it's your fault

This is the end of EVERYTHING

You are the end of EVERYTHING

I haven't slept since I woke up

And found my whole life was a lie, motherfucker

This is the end of EVERYTHING

You are the end of EVERYTHING

What the hell am I doing?

Is there anyone left in my life?

What the fuck was I thinking?

Anybody want to tell me I'm fine?

Where the hell am I going?

Do I even need a reason to hide?

I am only betrayed

I am only conditioned to die

You are wrong, fucked, and overrated

I think I'm gonna be sick and it's your fault

This is the end of EVERYTHING

You are the end of EVERYTHING

I haven't slept since I woke up

And found my whole life was a lie, motherfucker

This is the end of EVERYTHING

You are the end of EVERYTHING

You are wrong, fucked, and overrated I think I'm gonna be sick and it's your fault This is the end of EVERYTHING You are the end of EVERYTHING I haven't slept since I found out, my life was a LIE This is the end of EVERYTHING You are the end of EVERYTHING
