Slipknot, Everything Ends (Live)

You are wrong, fucked and overrated
I think I'm gonna be sick and it's your fault
This is the end of everything
You are the end of everything
I haven't slept since I woke up
And found my whole life was a lie, motherfucker
This is the end of everything
YOU ARE THE END OF EVERYTHING

Shallow skin, I can paint with pain I mark the trails on my arms with your disdain Everyday it's the same - I LOVE, YOU HATE But I guess I don't care anymore... Fix my problems with the blade While my eyes turn from blue to gray God, the worst thing happened to me today But I guess I don't care anymore (Ahhh, fuck)

You are wrong, fucked and overrated
I think I'm gonna be sick and it's your fault
This is the end of everything
You are the end of everything
I haven't slept since I woke up
And found my whole life was a lie, motherfucker
This is the end of everything
You are the end of EVERYTHING

My flaws are the only thing left that's pure Can't really live, can't really endure Everything I see reminds me of her God I wish I didn't care anymore The more I touch, the less I feel I'm lying to myself that it's not real Why is everybody making such a big fucking deal? I'm never gonna care anymore (Ahhhhhh)

You are wrong, fucked and overrated I think I'm gonna be sick and it's your fault This is the end of EVERYTHING You are the end of EVERYTHING I haven't slept since I woke up And found my whole life was a lie, motherfucker This is the end of EVERYTHING You are the end of EVERYTHING

This is the end of everything
You are the end of everything
I haven't slept since I woke up
And found my whole life was a lie, motherfucker
This is the end of EVERYTHING
You are the end of EVERYTHING

What the hell am I doing?
Is there anyone left in my life?
What the fuck was I thinking?
Anybody want to tell me I'm fine?
Where the hell am I going?
Do I even need a reason to hide?
I am only betrayed
I am only conditioned to DIE!

You are wrong, fucked and overrated I think I'm gonna be sick and it's your fault This is the end of everything You are the end of everything I haven't slept since I woke up and Found my whole life was a lie, motherfucker This is the end of everything You are the end of everything
