

# Slipknot, Iowa (Live)

Relax, it's over, you belong to me  
I fill your mouth with dirt  
Relax, it's over, you can never leave  
I take your second digit with me  
Love..

You are my first, I can barely breathe  
I find you fascinating  
You are my favorite, lay you down to sleep  
It's all that I can do to stop  
Love..

So blue, so broken, paper doll decays  
I haven't left you yet  
So cold, subversive, your eyes are full of bleach  
Tomorrow, I will go away again  
Love..

You are mine!  
You will always be mine!  
I can tear you apart!  
I can recombine you!  
All I want is to covet you all!  
You belong to me!  
I will kill you to love you!  
Love! Love! Love!  
Love you!

Do you see?
