

# Slipknot, Me Inside ('97 Demo Version)

Inside!! Inside!! (10x)

Corey mumbling:

Numbing Machines,  
Assumes as its own reaction,  
has feeling-grinding me away,  
killing me within myself  
losing all my hope,  
I must find a core....

Anders: Tearing Me!!! Corey: INSIDE!!! (4x)

Anders screaming:

My words,  
death to my soul...  
Reaction is PAIN!!!  
Grinding me away

I must

Redeem myself

or I'll destroy

Everything you know!!!

Anders: Tearing Me!!! Corey: INSIDE!!! (4x)

I swear I've got a cancer inside

All of me is in my mind

Cut my throat to last time

I bleed too, on the inside...

Anders: Doom!! Corey: Pain!!!

I swear I've got a cancer inside

All of me is in my mind

Cut my throat to last time

I bleed too, on the inside...
