

Slipknot, My Plague (New Abuse Mix)

I'm in conniptions for the final act you came here for
The one derivative you manage is the one I abhor
I need a minute to eliminate from everyone the
Everyday bullshit things that you have done
Your impossible ego fuck is like a
Megalomaniacal tab on my tongue
And if you touch me I will rip you apart
I'll reach in and take a bite out of that
Bitch you call a heart
I know why you blame me
I know why you blame yourself
I know why you plague me
I know why you plague yourself
I'm turning it around like a knife on the shell
I wanna understand why but I'm hurting myself
I haven't seen a lot reasons to stop it
I can't just drop it
I'm just a bastard, but at least I admit it
At least I admit it!
I know why you plague me
I know why you blame yourself
