## Slipknot, My Plague (New Abuse Mix)

I'm in conniptions for the final act you came here for The one derivative you manage is the one I abhor I need a minute to eliminate from everyone the Everyday bullshit things that you have done Your impossible ego fuck is like a Megalomaniacal tab on my tongue And if you touch me I will rip you apart I'll reach in and take a bite out of that Bitch you call a heart I know why you blame me I know why you blame yourself I know why you plague me I know why you plague yourself I'm turning it around like a knife on the shell I wanna understand why but I'm hurting myself I haven't seen a lot reasons to stop it I can't just drop it I'm just a bastard, but at least I admit it At least I admit it! I know why you plague me I know why you blame yourself
