

# Slipknot, New Abortion (Live Version)

COREY: Im gonna tell you what. Im gonna dedicate this next fucking song to all our crazy fucking maggots out there. This song is called "New Abortion" Lemme see your fucking hands in the air. Thats right lemme see your fucking hands all the way in the FUCKING BACK!. All right here we go, here we go motherfuckers!

I'm ethereal, my children are legion, serial  
They stick to my skin like beloved cysts  
I tear away with my nails and teeth and fists  
Touch the hands of inverted saints  
Follow my heart through the threaded pain  
Callow man is a sentinel screaming  
I see the future, the future is bleeding  
Sores, every goddamn minute I can feel 'em now  
Like a virus, you will never kill me now  
Going underground, coming on like hepatitis  
We're out, and you can't reshape us  
Another bug in the construct  
Tearing up the main bus B  
Zeros and ones are everything - execute me  
Everywhere you look, it's like they know  
Their fingerprints are hidden by control  
This is where the line is drawn, see  
You can't take my soul away from me  
What do you need to see? Ya feel the impact?  
Gotta retract - everybody get back  
What is this? It's like a big conspiracy  
Fields of dejected morbid progeny  
They always say that it's always our fault  
But everything we say is taken with a grain of salt  
Man, it's always the same, if we talk or complain  
We only wanna upset the balance  
How's it feel to be the New Abortion?  
The only generation to suffer extortion  
Everywhere you look, it's like they know  
Their fingerprints are hidden by control  
This is where the line is drawn, see  
You can't take my soul away from me  
YOU CAN'T TAKE MY SOUL AWAY FROM ME  
FUCK YOU!
