

# Slipknot, The Devil In I

Undo these chains, my friend  
I'll show you the rage I've hidden  
Perish the Sacrament  
Swallow, but nothing's forgiven  
You and I can't decide which of us was taken for granted  
Make amends...  
Some of us are destined to be outlived

Step inside - see the devil in I  
Too many times, we've let it come to this  
Step inside - see the devil in I  
You'll realize I'm not your devil anymore!

Under the words of men  
Something is tempting the father  
Where is your will, my friend?  
Insatiates never even bother  
You and I, wrong or right  
Traded a lie for the leverage  
In between the lens in light  
You're not what you seem

Step inside - see the devil in I  
Too many times, we've let it come to this  
Step inside - see the devil in I  
You'll realize I'm not your devil, I'm not your devil anymore

Your station - is abandoned  
Fool You cause I know what you've done  
Sensation - Depravation  
You should've burned when you turned on everyone

So step inside - see the devil in I  
Too many times, we've let it come to this  
Step inside - see the devil in I  
Oh, when all that's left does not make sense  
Step inside - see the devil in I  
I know you'll find your answers in the end  
Step inside - see the devil in I  
You'll realize I'm not your devil...  
Anymore!

So step inside - step inside  
See the devil in I, see the devil in I
