Slipknot, 'Til We Die

My friends are all hurting, from moments and regrets And charity laced with a lie And still we keep hoping to fix all the defects And strengthen these seminal ties

We go on together for better or worse Our history is too real to hate Now and forever, we stay until morning And promise to fight for our fates

'Til we die 'Til we die

The start of the journey is every bit worth it I cant let you down anymore
The sky is still clearing, we're never afraid
And the consequence opens the door

I never stopped trying, I've never stopped feeling Like family is much more than blood Don't go on without me The piece that I represent compliments each and everyone

'Til we die
'Til we die
We won't be forgotten, we'll never give in
This war we've achieved has allowed us to win

'Til we die 'Til we die

My last true confession will open your eyes I've never known trust like the 9 Let it be spoken, let it be screamed They'll never, ever take us alive

'Til we die
'Til we die
We won't be forgotten, we'll never give in
This war we've achieved has allowed us to win

Carry On Carry On

We'll never be broken, we won't be denied Our war is the pressure, we need to unite We'll never be broken, we won't be denied Our war is the pressure, we need to unite

'Til we die
'Til we die
We won't be forgotten, we'll never give in
This war we've achieved has allowed us to win

Carry On
Carry On
We'll never be broken, we won't be denied
Our war is the pressure, we need to unite

'Til we die
'We won't be forgotten, we'll never give in

This war we've achieved has allowed us to win

'Til we die 'Til we die We'll never be broken, we won't be denied Our war is the pressure, we need to unite
