

# Slipknot, Til We Die

Our friends are all hurting from moments and regrets and charity laced with a lie.  
Still we keep hoping, to fix all the defects and strengthen these seminal times.  
We go on together for better or worse, our history is to real to hate.  
Now and forever we stay until morning, and promise to fight for our fate.

Til we die

Til we die

The start of a journey is every bit worth it, I cant let you down anymore.

The sky is still clearing, we're never afraid and the consciences opens the door.

I never stopped trying, I never stopped feeling like family is much more than blood.

Don't go on without me, the piece that I represent compliments each and everyone.

Til we die

Til we die

We wont be forgotten we'll never give in.

This war we've achieved has allowed us to win.

Til we die

Til we die

My last true confession will open your eyes.

I've never known trust like the nine.

Let it be spoken, let it be screamed, they'll never ever take us alive.

Til we die

Til we die

We wont be forgotten we'll never give in.

This war we've achieved has allowed us to win.

Carry on

Carry on

(We'll never be broken, we wont be denied.)

(Our war is the present we need to deny.)

(We'll never be broken, we wont be denied.)

(Our war is the present we need to deny.)

Til we die

Til we die

We wont be forgotten we'll never give in.

This war we've achieved has allowed us to win.

Carry on

Carry on

We'll never be broken, we wont be denied, our war is the present we need to deny.

Til we die

Til We die

We wont be forgotten we'll never give in

This war we've achieved has allowed us to win

Til we die

Til we die

We'll never be broken, we wont be denied, our war is the present we need to deny.
