

Sloan, It's In Your Eyes

You're so crazy, crazy for me
And I know just why
Yeah, I know just why

Cause I've got something so elusive
To the naked eye
To the naked eye

Get your elevator
Off of my ground floor
Your elevator
And I guess my odd behaviour
Comes down to human nature
You're too good for this, you don't deserve it

And I can get behind anything
[Anything]
You tell me to-oooh
And I believe about anything
[Anything]
You say is true

It's in your eyes
All the time
All the time
It's not hard to find

And I guess my odd behaviour
Comes down to human nature
You're too good for this, you don't deserve it

And I can get behind anything
[Anything]
You tell me to-oooh
And I believe about anything
[Anything]
You say is true

Cause you're so crazy, crazy for me
And I don't know why
Yeah, I don't know why

It's in your eyes
All the time
All the time
It's not hard to find
It's in your eyes
All the time
It's in your eyes
All the time
All the time
It's not hard to find
It's in your eyes
All the time
