

# Sloan, Losing California

You hit rock bottom and everybody knows it  
But does anybody care how you got there?  
Admit to yourself that everything's a problem  
But when it comes down what do you care?

They're losing California  
Inch by inch, sit back and watch it go.  
Coming in clearly  
Dance, dance, dance to the radio.

And everybody loves it but  
Nobody knows what it stands for.  
Get into yourself in dark sunglasses  
And elevate it all 'til it means more.

And move out to California  
Inch by inch is all you need to go.  
Coming in clearly  
Dance, dance dance to the radio.

Sometimes it's too much  
You want to get right out of your mind.  
Sometimes it's too much  
You're gonna go right out of your mind.

You hit rock bottom and everybody knows it  
But does anybody care how you got there?  
Admit to yourself that everything's a problem  
But when it comes down what do you care?

Sometimes it's too much  
You want to get right out of your mind.  
Sometimes it's too much  
You're gonna go right out of your mind.

California  
Inch by inch, sit back and watch it go.  
Coming in clearly  
Dance, dance, dance to the radio.  
California  
Inch by inch, sit back and watch it go.  
Coming in clearly  
Dance, dance dance to the radio.
