

Sly & The Family Stone, Brave And Strong

Frightened faces to the wall
Oh can't you hear your
Mama call?

The Brave and Strong Survive!

When you walk,
Know where you're walking.
When you talk
Know who you're talking to.

Brave and Strong Survive! Survive!

Out and Down
Ain't got a friend.
You don't know who turned You in.
The Brave and Strong, Survive!

Brave and Strong,
Survive!

Before me was a Cowboy star.
Indians!
And there you are.

The Brave and Strong, Survive!

The Brave and Strong, Survive Child!

Yeh Jones, Survive
