

Sly & The Family Stone, Dynamite!

MISS CLEAN

She's so together and nice, yeah

MISS CLEAN

I got to see her twice

MISS CLEAN

I like the way she moves, uh-huh

When I was through

She turned on the light

Made my heart beat dynamite

Dynamite, dynamite, dynamite

MISS CLEAN

Give that girl a hand, yeah

MISS CLEAN

She's got a beautiful tan

MISS CLEAN

Straight to my head, uh-huh

MISS CLEAN

I remember what she said, listen

MISS CLEAN

Yeah, me and you

Yeah, I want you

MISS CLEAN

Yeah, me and you

Yeah, me and you

MISS CLEAN

You got me, girl you got me

When I was down,

She turned on the light

Made my heart beat dynamite

Dynamite, dynamite, dynamite, dynamite,
dynamite

Dance to the music

Dance to the music
