

# Sly & The Family Stone, Luv N' Haight

Feel so good inside myself Don't want to move  
Feel so good inside myself Don't need to move.  
As I grow up I'm growing down. And when I'm lost,  
I know I will be found.  
Feel so good Don't want to move.  
Feel so good inside myself. Don't need to move.  
|  
Feel so good inside myself, Don't want to move.  
|  
Feel so good inside myself, Don't want to move.  
Another place, another time And when I realize  
I'm still all mine . . .  
|  
|  
Yeh I  
I feel,  
I feel so good  
Want to move. Want to move. Feel so good. Want to move.  
Feel so good. Want to move.  
Feel so good inside myself Don't want to move.  
Feel so good inside myself, Don't need to move.  
Don't want to move Feel so good inside myself. Don't want to move.  
Feel so good. Feel so good Don't want to move.  
Feel so good inside myself, Don't need to move.  
Want to move. Feel so good, can not move. Feel so good, can not move.  
Don't need to move. I feel so good Don't need to move.  
Don't need to move. Don't want to move.  
Feel so good. Feel so good. I want to move. I want to move.  
Feel so good. Feel so good. I want to move. I want to move.  
Feel so good. Feel so good. I want to move. I want to move.  
Feel so good. Feel so good. I want to move. I want to move.  
Feel so good. Feel so good. I want to move. I want to move.  
Feel so good. Feel so good. I want to move. I want to move.  
Feel so good. I want to move. I want to move.
